

SUPPORTS ASSOCIATION

Council Stands Firm On Fire Insurance Pact

By unanimous vote, the council Monday night overrode protest of insurance agent Fred Martin and moved to stick to its policy of awarding the city's fire insurance coverage to members of the North San Mateo County Insurance Agents Association.

The matter had been hanging the past four months during which time Martin, representing Security Pacific Agency, 6748 Mission street, claimed the city council was giving him the "run-around."

In business here 11 years, Martin had asked the council to put the fire coverage out for competitive bidding instead of restricting it to the local association.

He and his attorney and office partner, David Friedenberg, claimed their agency could provide the city with identical fire insurance coverage at a saving of 25 percent over what the local association is charging for the coverage.

The council had tabled their decision pending a report and recommendation on Martin's presentation by City Manager George Watts. Martin supplied Watts with detailed data on what his agency would provide and names of several firms and cities which are serviced by his company.

Watts said he was satisfied with the association's coverage and termed its rates equitable and its service to the city exceptional.

He challenged Martin's statement that the latter's firm could affect a saving of 25 percent under the newly adjusted fire insurance rates and said there was no way of telling about what rates would be asked until all bids were opened.

Martin replied that his "25 percent statement" applied to the new rates. He also said the association contract with the city did not include depreciation coverage, which he said his firm normally provides.

Councilman Joseph Verducci, asking for a showdown on Martin's request, backed the association and said it was "providing good and economical

service to the city."

Mayor Michael DeBernardi answered Friedenberg's charge about "political influence" by declaring that the association coverage was set up "to eliminate the possibility that one agent would get the big plum."

Martin and Friedenberg earlier were ruled out of order by the mayor when they charged that the association did not represent the majority of Daly City agents, was not open to all insurance men, and violated its own by-laws on membership requirements.

Martin twice asked for membership in the association and was turned down. Friedenberg said. The association claimed Martin uses part-time solicitors, which the latter denies.

Two motions by Verducci ended the dispute. His first was to remove the matter from the table. The second was to put the fire insurance out to bid with the association.

The council Monday night accepted John J. Fahey's price of \$27,500 for the city finance and water office, 3 and 5 Wellington avenue.

City Manager George Watts recommended the purchase as a means of saving the city the \$2700 a year it pays to rent the building. In 10 years this rental totals \$27,000, so the council termed the project financially very feasible.

Fahey's final price actually was a "come down" from his appraisals on the building, which averaged around \$30,000. Watts recommended a price of \$26,500, based on city appraisals, though the latter were higher than the \$27,500. The city manager first said he thought \$26,500 was a fair price in view of the age of the building and improvements needed.

The council agreed on the compromise price, however, and the money will come from capital outlay funds, mainly from sales tax returns, Watts pointed out.

City Clerk Evelyn Mosman, one of the county's most proficient municipal workers, apparently is jinxed.

She's been hobbling around on crutches the past two weeks due to a backyard fall which cracked her left kneecap. But she's still very much on the job.

The hard-working lady, who resides at 1356 South Mayfair, encountered similar discomfort last Christmas when she battled blood poisoning after a nail pierced her foot.

Tossed Cigarette Damages Millbrae Man's Car Here

A carelessly tossed cigarette, probably from a passerby, almost cost a Millbrae man his 1957 automobile in Westlake last Thursday afternoon.

Parked in front of the pet shop at 30 Park Plaza drive, Frank Davison, of 351 Elder avenue, returned a few minutes later to find firemen converging on his smoke-filled vehicle.

Bttn. Chick Wayne Alexander said damage to the back seat where the cigarette landed amounted to about \$150.

Jeff Adult School Registration Begins Monday At Six Campuses

Registration for new and old students begins Monday, February 2, at all six campuses of the Jefferson Adult School and will continue for the next two weeks.

Regular classes being offered are Americanization (citizenship and English at two levels for the foreign born), Business Education (typing and shorthand), Industrial Arts (auto shop, machine shop, woodshop and welding), Creative Arts (ceramics, landscape painting, mosaics, theater workshop, general art and sewing), Physical Education (learn to swim, first aid, posture and exercise), High School Diploma (U.S. History, English, civics and math at all levels), and Miscellaneous courses (driver education, braille transcription and nursery school).

No advanced registration is required. Students simply pro-

ceed to the class of their choice, fill out the registration card, pay their registration fee of \$1 (except for Driver Education, learn to swim and Americanization classes) and begin instruction. Time and places are listed in the new brochure available by calling the main office, PL 5-1162.

The adult program is "quite flexible," says John Ivan, director of the adult school. Students may register any time for non-credit courses, proceed at their own pace and in many instances, on any level from elementary to college grade.

New courses are organized any time there is sufficient demand and support from the community. Course enrollment is not limited to local students. Students have registered from as far south as Belmont, as well as from all parts of San Francisco.

Broadmoorites To Get 5000 Pine Seedlings

Five thousand Monterey pine seedlings purchased by the Broadmoor Property Owners Association will be distributed to Broadmoor homeowners this weekend, BPOA President Lou Manis said today.

The seedlings, designed to supplement the Association's village beautification and anti-erosion program, will be given away at the corner of 87th and Washington streets, Broadmoor, this Saturday and Sunday. Distribution will start at 10 a.m. each day.

In announcing this giveaway, Manis advised homeowners who sent postcard requests for seedlings within the past months, that their seedlings have been reserved and will be available for pickup this week.

"If these homeowners have not been contacted on the telephone by BPOA officials," said Manis, "they should call Mrs. Marian Hilton at PL 5-2465 for instructions on pickup of the seedlings."

Jefferson High PTA Prepares Founders' Day Observances

By Servart Ojakian

Jefferson High's PTA executive board will devote most of its meeting this Thursday to discussion of the Founders' Day program which will take place next week.

Jefferson PTA members along with more than 11 million members across the nation, will honor the founding day of the organization and its founders, Mrs. Phoebe Apperson Hearst and Alice McLellan Birney. The national organization was founded February 17, 1897, by these two women who sought greater opportunities for all children.

Mrs. Hearst had established kindergartens and training schools for teachers and during her lifetime gave generously of her personal fortune for schools, libraries and fellowships.

Mrs. Birney, the wife of Theodore Birney, a prominent Washington, D.C., attorney, was also interested in the kindergarten movement. It was at a meeting on kindergartens in 1895 at Chautauqua, New York, that she first expressed her idea for parents' organization to work for betterment of education and child welfare.

After a series of meetings in Mrs. Hearst's home, the "National Congress of Mothers" as it was then called — was born. At the first official meeting of the "congress," 2000 people attended.

The foresight and wisdom of the PTA founders is reflected in the principles laid down at that first meeting — objectives which still apply to the 11 million member organization today.

They are:

1. To promote the welfare of

children and youth at home, school, church and community.

2. To raise standards of home life.

3. To secure adequate laws for the care and protection of children and youth.

4. To bring to closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

5. To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

The increase in contact between parents and teachers, and thereby the increase in understanding of each other's purposes and problems, has been one of the most important accomplishments of the PTA organization.

Jefferson High PTA's Founders' Day program will take place on Thursday, February 5, in the Jefferson Little Theater. All parents are invited. Refreshments will be served.

Daly City Man Fractures Spine In Auto Accident

Ed L. Selsor, 59-year-old shipyard worker who lives here at 121 South Parkview avenue, was seriously injured at 2 a.m. Wednesday in a rear-end auto accident on Junipero Serra boulevard in San Francisco.

He was transferred to Community hospital after examination at Alameda Emergency. A report from San Mateo said he suffered a fractured spine.

will save the city considerable money since purchase of regularly needed items in large quantities lowers the unit costs.

DOLWIG SETS HEARING ON STATE COLLEGE

At the request of Senator Richard Dolwig, the Senate Interim Committee on Education will hold a hearing on a proposed state college for San Mateo County this Saturday at 10 a.m. in the supervisors' chambers, Hall of Justice in Redwood City.

In requesting this hearing, Dolwig said: "It is important that the necessary information and data be obtained in order to determine how many students from San Mateo County will be attending college within the next 10 years."

"On the basis of preliminary information," declared Dolwig, "there is every indication that the need for a state college in San Mateo County will be at least as great as that in other areas under consideration by the state; certainly the need should indicate a higher priority for San Mateo County than was indicated by the report of the liaison committee of the State Board of Education."

"Moreover, since it is the legislature which will make the final decision, it is important that information beyond that offered by the liaison committee be developed."

The Senate Interim Committee has been holding hearings throughout the state over the past two years to determine how many state colleges are needed and where they should be located. Members of the committee are Senators Dillworth (R-Riverside), chairman; Donnelly (D-R or Stanislaus); Montgomery (D-R of King County); Murdy (R-Orange); and Williams (R-Tulare).

Plan Reunion For Jeff Grads

A reunion dinner-dance for Jefferson High graduates of the 1951 classes is being planned for this spring.

All graduates of these classes are asked to contact Mrs. Loretta (DeBello) Hughes, 1230 Crestwood drive, South San Francisco, JU 3-0419.

March Of Dimes Baseball Game In San Mateo

Due to wet field and threatening clouds, the 1959 March of Dimes all-star baseball game was postponed to this Sunday. Time and place are still the same — Fitzgerald Field, San Mateo street, 1:30 p.m.

The star-studded game arranged by San Mateo's Jim Kehoe, March of Dimes sports director, will feature a myriad of major league players—from the San Francisco Giants, Baltimore Orioles, Los Angeles Dodgers, St. Louis Cardinals, Detroit Tigers, Kansas City Athletics, Cincinnati Red Legs and the Boston Red Sox.

According to Rudolph Krevolt, Daly City chairman for the foundation, the postponement is "actually a further opportunity for more people to see these stars in action, and at the same time to help out foundation's expanded programming which includes arthritis, rheumatism, and birth defects."

Spring Semester Signup Deadline At State College

Persons wishing to enroll for the spring semester at San Francisco State College as limited students carrying six units or less who did not complete the Fall 1958 semester should file a "Statement of Residence" and an "Application for Admission as Limited Student" in the Admission or Late Afternoon and Evening Office by this Friday, January 30.

Failure to file these documents in advance may result in a two-hour delay at the time of registration, February 6 and 7.

WITH Marine Air Wing at Cherry Point, North Carolina, is Daly City's Gary L. Taylor, son of Mr. and Mrs. R. L. Taylor, 458 Citrus avenue. He expects duty soon on an aircraft carrier.

JUVENILE PROBLEMS

FRANCIS ASKS FOR STATE-WIDE ANTI-LOITERING, CURFEW LAW

A state-wide anti-loitering and curfew law for minors under the age of 18 was introduced this week in the State Legislature by Assemblyman Lou Francis of San Mateo County.

The bill makes it a misdemeanor for a person under 18 years of age to loiter about the public streets, alleys, parks or public places between the hours of 10 p.m. and sunrise, unless accompanied by a parent or guardian having legal custody of him, or by a spouse over 21.

Francis said his bill complies with the recommendation of the Citizens' Advisory Committee to the attorney general on crime prevention to provide a uniform state-wide anti-loitering law and uniform administration.

"Juvenile gangs are a serious problem in California," said Francis. "There has been a sharp increase in juvenile violence in recent years. Any

groups of minors who are unsupervised loiter in the public streets, creameries, drive-ins, and pool halls late at night, and usually that is when the trouble starts."

"The problem has grown to beyond ordinary delinquency, and today this delinquency in many cases results in the violent, aggressive, hostile, resistant, and at times wantonly cruel or destructive behavior of juveniles which has become so prevalent in recent years."

Francis pointed out that according to the Uniform Crime Reports of the Federal Bureau of Investigation, there has been a steady increase of juvenile crimes in the United States. For example, in 1956, 43.2% of all robberies, 16.1% of all aggravated assaults, 16.0% of all manslaughter by negligence, and 12.9% of all murders and voluntary manslaughter crimes in the United States were committed by persons under the age of 21 years.

He stated that the consensus of all law enforcement officials is that anti-loitering and curfew ordinances are effective means of preventing or diminishing opportunities for juvenile crimes at night, and that these anti-loitering laws should be uniform and statewide to avoid conflicts and loopholes.

was carrying only small change. He had left his wallet at home.

The police report said the four suspects were Negroes.

Jewish War Vets Schedule Election Meet

The regular monthly meeting of Peninsula Post 688 and Ladies Auxiliary, Jewish War Veterans, will be held on Thursday, February 5, at Peninsula Temple Shalom, 849 San Mateo drive, San Mateo, at 8:30 p.m.

Commander Hyman P. Manber announced final nominations will be completed and election of 1959-60 officers will be held at the meeting. Nominated by their respective nominating committees are:

Post — for Commander, Herman R. Katz, South San Francisco; Senior Vice-Commander, William Bauer, Belmont; Junior Vice-Commander, Sidney Dressauer, Redwood City.

Auxiliary — for President, Mrs. Sol Silverman, South San Francisco; Senior Vice-President, Mrs. Alex Richek, Belmont; Junior Vice-President, Mrs. Benard Davis, Daly City; Chaplain, Mrs. Saul Sack, Belmont; Treasurer, Mrs. Ernest Morrison, Millbrae; Conductress, Mrs. Joseph Aaronson, San Mateo; Patriotic Instructors, Mrs. Stuart Phillips, San Mateo; Historian, Mrs. Paul Steinhart, San Mateo; Guard, Mrs. Dave Soll, San Francisco; Trustees, Mrs. Ben Schlessinger, Menlo Park; Mrs. C. H. Sachs, Millbrae, and Mrs. Walter Strauss, San Mateo.

According to Mrs. Hyman P. Manber, president of the Auxiliary, the annual installation dinner will be held on February 21 at Bob's on Broadway, and final plans will be announced at the meeting.

Further information may be obtained by calling Mrs. Sol Silverman, PL 6-3662, or Mrs. C. H. Sachs, OX 7-8659.

Younger Asks Special Study On U.S. Budget

Congressman J. Arthur Younger today called for the establishment of a special committee to study and make recommendations aimed at strengthening Congressional control over the public purse.

Congressman Younger's request came in the form of a resolution introduced in the House of Representatives.

The resolution calls for the establishment of a 10-man bipartisan select committee to make the probe. Included in the group would be the chairman and ranking minority member of the House Appropriations Committee.

Younger said the committee would be required to make a report on its findings to the full House of Representatives "as soon as practicable during the 86th Congress."

"It has become increasingly clear in the budget battles over recent years that means must be found to enable Congress to perform more effectively its review and authorization of the annual budget of the Federal Government," he said.

The resolution calls for the committee to make "full and complete study of the fiscal and budget organization and operations of the Congress... with a view to recommending improvements... for the purpose of strengthening Congressional control over the public purse."

Check Those Headlights

Check your automobile headlights from time to time, advises the National Automobile Club. See that they are aimed properly for maximum night visibility, that both upper and lower beams are working, and that the lenses are clean.

FOR TOMORROW'S DC KIDS

With polio on the run, the Mother's March next Tuesday evening in the 1959 March of Dimes has a new appeal for all Daly City women interested in building a healthier world for the children of tomorrow. Women will be quick to see this implicit promise in the broad goals of the National Foundation's newly expanded program.

They should be eager to rouse their neighbors to active cooperation and full-strength participation in the porchlight parade that has become the traditional climax to the March of Dimes.

Daly City is grateful for the vigorous Mothers' march, which annually provided aid to polio patients and supported the research that produced the Salk vaccine. We are grateful, too, for the follow-up by mothers in recent years in encouraging polio vaccinations for all members of all families.

And to name names, we appreciate the long hours of devoted time put in by our own Daly City people—Rudolph Krevolt, city chairman for the foundation; Frank Fischer, commander of American Legion Post 410 for the Blue Crutch Days; Mrs. Sanford Vickers, PTA captain for the Marching Mothers; and Joseph Lewkowitz for his annual gas pumping "day."

Now, with the March of Dimes tackling other causes of crippling, we have a bigger stake on the health front. Let us light the way with our Mothers' March this year. Let all in Daly City join the March of Dimes toward greater victories.

KIP Workshop News

Floyd White and the Enchanters led off the highly successful show Sunday at the Log Cabin Ranch. This musical and singing group, under the management of Mrs. Diana Lua, led a bevy of hit acts. Doreen McDonald, new Kip star, emerged as a top flight tap dancer. Another top group were the Honey Bees of South San Francisco, harmony singers. This group sings, too, with the Four Flames, who were also on the program.

Other Kipstars for the show at La Honda included Tony Miley, also appearing in the grand finals of the Moose Search for Stars on February 13 in San Francisco; Cathy Cubic at the piano, Arleen Johnson, Diane Green, interpretive dancer; Betty Molina, Richard Fenn, Pat Murray, the dancing team of Susan, Luerra and Linda; and Jerry Jackson and a singing group organized at Log Cabin Ranch.

Gail Vaur scored her usual success in singing. Kip was also represented by its president, Katy Porter; Kip publicity kid, Andrea Reynolds; poster artist, Audrey Head, and messenger, Vana Priest.

Kip is deeply indebted to Mrs. Rita Murray, Mrs. Reynolds, Mr. and Mrs. Lua, Mrs. Betty Rosenberg, Mr. and Mrs. Charles Addington, Mr. and Mrs. Art Marchington, Mr. and Mrs. Glenn Jones, and Mr. and Mrs. Arley Johnson for transportation and assistance.

Charles (Chubby) Addington, assistant talent director, scored an added attraction with washboard spoons, and assorted equipment in a Spike Jones type number.

Kip wishes to thank Log Cabin Director Ed Chay, Asst. Director Nick Haloski, Mr. Scammon, Geo. Elliott, and Arthur Maxwell for the cordiality extended to them, and the assistance rendered in putting on the show.

Sixty-eight per cent of all people employed in the United States drive to work in an automobile, reports the National Automobile Club.

TRUSTEES of Jefferson Elementary School District (above) will meet with a screening committee of educators next Tuesday night to agree on terms for selecting a new district superintendent. A replacement for H. Z. Weibel will be hired to assume duties here July 1. The board, front row, left to right: Michael Callan, Mrs. Katherine Mullen and Chairman Joseph Lewkowitz. Standing are Thomas Noonan and Frank Verducci.

\$1400 OUTLAY

War Memorial Building To Get Efficient Public Address System

24 c/c de—War Memorial. The city parks and recreation commission last week moved for the purchase of a \$1400 permanent public address system for War Memorial building to replace the "inadequate" portable system now being used.

Director Dee Van Nest said the present apparatus could be utilized throughout the city for various recreation events.

The board also heard a progress report on the two Palisades area playgrounds—one-acre sites obtained from Builder Henry Doelger. Van Nest said his staff was drafting plans for developing both sites. This includes landscaping, irrigation, and fencing and will represent a saving since the city will do the work and not put it out for bid.

As part of the agreement with Doelger on the sites, the builder gave the city \$10,000 for their development. One site is located on Palisades drive off Westridge and the second is on Northridge near Carmel avenue.

Van Nest expects both playgrounds to be ready for public use this summer. The commission noted the "demise" of old Bellevue hall, 333 Bellevue, once used as a fire station and later as a recreation building. It failed to pass the building code and will be torn down.

Nancy Shands, former Marchbanks Publications news reporter, declared this week that she is retiring from the journalistic profession "permanently."

The sparkling graduate of San Jose State College gave birth to twins—a boy and a girl—Saturday afternoon at St. Luke's hospital in San Francisco.

Nancy and hubby Bill, reporter for the San Mateo Times, now have three youngsters. Roger, 2, expects to see his new playmates by this Friday.

The twins were named Matthew Stuart and Robin Kathleen. Matthew arrived 11 minutes before his sister. He weighed 7-10 and she registered 6-9.

The family reside at 109 Dwight road in Burlingame.

Jewish Welfare Federation Sets Annual Institute

The third annual One-Day Institute of the Women's Division of the Jewish Welfare Federation of San Francisco, Marin County and the Peninsula has been announced for February 6 by Mrs. Edgar Goldstone, president. Chairman of the Institute, to be held in the San Francisco Jewish Community Center, is Mrs. Harold A. Kaufman.

"The Women's Division of the Jewish Welfare Federation works on a year-round basis as the educational arm of the Federation," explained Mrs. Goldstone, "and as an active fund-raising division in the annual campaign to support its local, national and overseas programs."

Dr. David Crystal, Executive Director of the Jewish Family Service Agency, will open the morning session with a keynote address titled "Your Family - Your Community - Our Challenge in Today's World".

The session will be devoted to four workshops to be directed by professional and lay leaders, discussing specific community problems and the services and facilities of Federation agencies available to the community to help meet them.

Luncheon, a summation of the workshops by Mrs. Kaufman, and a musical skit titled "Place Me, Pete" will highlight the afternoon session.

Committee chairmen assisting Mrs. Kaufman will be the Messiahs Norman Colver, program; Warren Berl and Stanton Sobel, operations; Arthur Barrett, attendance; Ray Rosenman, food arrangements; Maurice Knox Jr., hospitality; Robert Lauter, decorations.

JAKE PALLADINO ENDS PENDLETON MARINE COURSE

Marine Pvt. Jake C. Palladino, of 13 Paul street, Daly City, completed four weeks of combat training January 13 at Camp Pendleton, California.

The course included the latest infantry tactics, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

NEW OFFICERS

Westlake Lutheran Church Marks Second Birthday; 335 Members

The recent annual meeting of Westlake Lutheran Congregation also was recognized as the second birthday of the growing group. It was on January 13, 1957, that the congregation was organized with only a handful of members and meeting in a temporary building. Now the congregation occupies a beautiful two-acre site in Westlake Heights with an attractive workshop and Sunday school building serving as the first unit of the total church plan.

The annual meeting this year heard the announcement of a congregation of close to 200 members and a Sunday School of 135. The assembly also adopted the \$16,000 budget presented by the board of trustees.

The following officers were elected at the meeting: President, Alexander Miller; Vice-President, R. E. Wick; Secretary, Mrs. George Hohenstein; Treasurer, James Lachance; Board of Trustees, Curtis Rehn, Board of Deacons, Kenneth Kraemer and Herbert Kraling; Financial Secretary, Mrs. Mildred Ross; director of parish education, Larry G. Tibbitts. These new officers join the present board of trustees and the board of deacons, who are: Roy Ross, G. Perry Gordon, and Herbert Hawley.

REMINDER TO DISABLED VETS, WAR WIDOWS

San Mateo County Veterans' Service Officer Floyd D. Granger reminded disabled veterans and widows of veterans in this area today that it is essential that their annual income questionnaire cards be returned to the Veterans Administration within 30 days of the date in the upper right-hand corner. In nearly all cases this date is January 1.

The service officer has already assisted a great number of VA pensioners with these income reports, which must be filled out and returned if monthly pension payments are to be continued. Failure to return the cards, he pointed out, could result in a payment stoppage by the Veterans Administration.

The reports are required in order to determine whether income exceeds \$1,400 per year for a single veteran or widow, or \$2,700 for one with dependents.

EARLY NEXT MONTH

Interviewers To Poll Bay Area Residents On Rapid Transit Plan

Interviewers will begin contacting Bay Area residents at their homes early in February to ask questions concerning the five-county Bay Area Rapid Transit District and its program. General Manager John M. Peirce said today.

Peirce said some 1750 residents will be interviewed in San Mateo, Alameda, Contra Costa, Marin, and San Francisco counties in the scientific fact-finding survey which will be conducted by the opinion research firm of Facts Consolidated.

"The primary purpose of this survey," Peirce explained, "will be to enable a large segment of the public to become partners with the district in planning a modern and efficient system of mass rapid transit for the Bay Area."

"Specifically, the survey will help us determine the present extent of knowledge concerning the district and its plans, and will develop, from a significant cross-section of the public, attitudes toward alternate approaches to certain financial and engineering problems which the district must resolve."

"The district is a public agency with a mandate from the State Legislature to plan, build and operate a rapid trans-

sit system dedicated to solving the Bay Area's most pressing public problem—congestion. The findings of this survey can be most useful in helping the district to carry out its mandate."

Peirce said all interviewers will carry identification cards and letters of introduction.

He urged all Bay Area residents who are contacted to "cooperate fully in this project of great importance to the future of Bay communities."

THE MAIL BAG

BPOA Thanks Organizations On 'Festival'

Dear Editor:

At the last board meeting of the Broadmoor Property Owners Association, much of the discussion was devoted to the recent Christmas Festival, sponsored by the association.

Consensus among the officers and directors was that the program could not have been the success that it was without the excellent cooperation given by many fine organizations, notable among these being your newspapers.

May I therefore take this opportunity of publicly extending to you our appreciation for your help during the festival and the year just past. Thanks, also, are due the Hills Bros. company whose coffee gave "warmth" to the celebration, to Arden's Dairy whose chocolate milk sent our village youngsters packing the stage every night, and to Langendorf Bakery for their cookie donation.

We are also grateful to KIP for their talented artists, the United-Aires singers from United Air Lines Maintenance Base, the Colma Fire Department and the Broadmoor Police, the American Legion, and the many churches and youth organizations.

Without their exemplary brand of civic spirit, Broadmoor's Christmas Festival would have been a dismal flop.

Yours truly,
Lou Manis
President, BPOA

Moose Lodge Sets Grand Finals In 'Search For Stars'

Throwing superstition to the winds, the Moose Lodge has named Friday, February 13, as the date for the grand finals contest in its "Search For Stars," according to Bill McKavanaugh, director of the event.

To be staged at Nourse auditorium, Van Ness and Hayes street, the big variety show will include winning acts from the weekly entertainments the lodge sponsors Friday evenings at Moose auditorium.

McKavanaugh, who has directed the "Search for Stars" the past eight years, said the 1959 extravaganza promises the widest range of talent he has ever seen exhibited by amateur entertainers. Mostly teenagers, the contestants listed to date come from 11 different northern California cities and vary from a drummer boy to a girl acrobat, with many types of musicians and dancers.

Talented amateurs interested in the contest should contact McKavanaugh at the office of the Moose Lodge Civic Affairs Committee, 859 O'Farrell street.

An average of 66,265 vehicles per day passed across the San Francisco-Oakland Bay Bridge from its opening until September 30, 1958, reports the National Automobile Club.

OLD EDMGAR road is being graded out of the M. Pauline Brown School site in the realignment project that will speed both the school and the development of new Eastmoor avenue. The council vacated a portion of Pierce street Monday to give the school district its full acreage requirements.

CREWS aren't wasting any time in developing McKean Corporation's St. Francis Heights subdivision. Two thousand homes are being built in this new section of Daly City. Above shows paving progress on spacious St. Francis Heights boulevard.

THE RECORD photo

Tape Recorder Aids Students At Colma K-6

Use of the tape recorder is providing a special interest in the study of Canada to sixth graders in Barbara Busetto's class at the Colma K-6 School.

Special reports are being recorded by the members of the class. This is the culmination of group planning, committee activity, and individual reference work.

Those whose reports have been recorded to date are Raymond Nelson and Penny Killin, history; Mary Frances Loretta and Mabel Sineath, geography; Renna Whitney and Kathie Egan, language and religion; Judy Streeter and James Menconi, schools; Gail Small, government; Pat Beardsley, Tom Snodgrass and Marlene Galli, business and industries; and David Casazza and Karen Luciano, transportation.

When completed, the recordings will be used to review studied material. Each person who taped his report has submitted two questions pertaining to it. These have been typed and the group will attempt to answer each question as he listens again to the recordings. This listening review and discussion will serve as a part of the culmination of the class unit on Canada.

Many phases of Canadian life have been studied with a planned scheduling of films from the library of the Canadian Consulate offices in San Francisco. After reading about each geographical sector, and seeing a film showing its industries, business and culture, each class member has made a summary outline of facts for his own Canadian folder.

Ceramics Class Starts Monday For DC Adults

Ceramics, long popular on the Jefferson Adult School program, makes its debut at the Westmoor High campus with the opening of the new semester on Monday, February 2.

Under the instructorship of Robert Nissen, the class will be held from 7 to 10 o'clock every Thursday evening. This may be expanded to an additional night should the demand warrant it.

The expanded quarters and new equipment makes for a pleasant, uncrowded class, able to cover work from sculpturing, clay modelling, to pottery making. Instruction is on an individual basis, and in keeping with the established policy of the Adult School, is offered to beginners as well as to skilled artisans.

KIT CARSON

Colonel Kit Carson, the famous American Army scout and Indian fighter, lived for many years in Taos, New Mexico, and is buried there, according to the National Automobile Club.

Passport Office reports show that California and New York continue to be the leading sources of travel to most overseas destinations.

Colma-Vista Grande Aerie Sets 50th Birthday Party

Colma-Vista Grande Aerie 1848, Fraternal Order of Eagles, will celebrate its 50th birthday next Thursday evening, February 5, at Eagles Hall, 3346 San Jose avenue. In the past, this annual affair was known as "Old-Timers Night," but due to the extensive plans charted by Worthy President Delbert Fehl and his program chairman, Stan Nykowski, next week's affair will be known as the "Golden Year Anniversary Party."

The Aerie was instituted on February 6, 1909, with 123 charter members. Of these, only seven are still alive and will be presented with pins designating their length of service with the order.

These old-timers are William Sweeney Sr., Larry Shaw, Eugene Rodgers, John Rehaume,

OLPH Mothers Set Communion Breakfast Fete

The Mothers' Club of Our Lady of Perpetual Help School will hold its annual Communion Breakfast this Sunday, February 1.

After the 8 o'clock Mass at OLPH Church, on Wellington avenue, breakfast will be served at Joe's of Westlake. Father James Bergin will be the guest speaker.

Members and their friends are invited. Reservations may be made by calling Mrs. George Fair, PL 5-7311.

Grace Presbyterian Group To Present Spaghetti Dinner

Members of Martha Circle are busy making plans for the spaghetti dinner they will prepare and serve on Thursday, February 5, at 6 p.m. in the social hall of Grace Presbyterian Church, 300 Crocker avenue.

Price of the dinner is \$1 for adults and 50 cents for children. Tickets may be purchased at the door. Phone JU 5-6128 for further information.

Pipe-Fitter Booked For Drunk Driving

A 40-year-old Colma pipe fitter was arrested for drunk driving Saturday at 4 a.m. after he drove through a red light at the Junipero Serra-School street intersection and weaved across the center line. Alva R. C. McCowan, 442 A street, was halted by Officer Richard Brewer who used his patrol car red light and siren.

McCowan flunked both roadside and hospital sobriety tests. He was released on bail.

for Advertising, who is directing the show for Henry Doelger Builder Inc., while Jack Kendree, managing director of the Westlake Shopping Center, looks on. More than 100 American and foreign cars will be displayed in the show, plus exhibits by the California Highway Patrol, the National Safety Council and the Army Missile unit.

BRaille CLASS OFFERED BY ADULT SCHOOL

Have you a few minutes a day which you could devote to helping a blind child?

New students will be welcomed in the Braille Transcription Class which meets every Wednesday evening from 7:30 to 9:30 in the Little Theatre of Jefferson High School, 6996 Mission street.

These classes are designed to teach sighted adults to read (with their eyes) and write (with slate and stylus) Braille, so that they can help in the program of providing textbooks for the blind children not only in this county, but in other parts of California as well.

Besides the adult education fee of \$1, students need to purchase a slate, stylus and textbook. While there is homework in connection with this class, but fifteen minutes to a half-hour per day will guarantee learning for the average person.

If you are interested, or know some other interested

29, a daughter.

Marriage Licenses

Nuptial greetings to the following couples who have recently taken out marriage licenses: Alexander Termer, 49, Palo Alto, and Minnie Louise D. Stanghellini, 20, San Francisco, and Beverly M. Marshall, 20, Daly City.

Nuptial greetings to the following couples who have recently taken out marriage licenses: Brian D. Epidendio, 23, Daly City, and Barbara A. Regan, 19, San Francisco; Arthur P. Andresen, 60, Daly City, and Agripina N. Mikhailov, 58, San Francisco; John Weinrob, 40, and Frances Yohannan, 32, San Francisco; Howard E. Ferre, 26, Millbrae, and Carrie L. Lundy, 19, Daly City.

The International Bridge across the Niagara River was completed on Oct. 31, 1873.

adult with time on his or her hands, why not bring them with you and be present on February 4 when the new semester begins, and new students will be started on this fascinating craft. For any further information, call PL 5-1162.

Dr. Harkness Addresses Hillside PTA

Dr. Douglas Harkness, coordinator of pupil personnel services for Jefferson Elementary School District, was guest speaker at the Hillside PTA meeting Thursday night at Colma School.

Harkness, a graduate of University of California with a doctorate in educational psychology, explained the function of his duties in the district.

Mrs. Ruth Hulse, coordinating chairman of Hillside PTA, reminded the audience that the play, "The Magic Ring," will be staged by the San Francisco Players Guild on February 7 at DC War Memorial building. Tickets for this children's feature are 50 cents and are on sale at Thornton, Vista Grande and Colma Schools.

Scout Troop 255's color guard presented the flag ceremony, under the direction of Mrs. Vella Heneise.

The first national convention advocating women suffrage was held at Worcester, Mass., in October 1850.

JEFFERSON BASKETBALL

Indians Look Upward, But Climb Is Tough

Jefferson's varsity cagers, loser by 40-26 to Capuchino and meek victor over Westmoor last week, wind up the first round of Peninsula League play this week in games with Hillsdale (4-1) and South City (1-4)—both out of town affairs. The battle with SSF starts at 7:30 o'clock this Friday evening.

City Badminton Classes Double In Enrollment

Badminton is continuing to grow in popularity by leaps and bounds. Participation in the city-sponsored program has more than doubled the past three weeks.

The adult group, which meets on Thursday evenings from 7 to 10 p.m., is very active. Players of all levels of ability from beginners to the more advanced players are taking advantage of the free instruction. The more advanced players are finding good matches with those of similar ability. Mixed doubles has proven to be the most popular type of match played by the adult group.

The teen group which meets on Friday nights, from 7 to 10 p.m., had an exceptional turnout last week. The players were given instruction in a few of the basic strokes and the "mystery" of scoring was explained.

Two DC Cagers To Be Saluted On Radio Show

"Prep Sport Scoop," the popular weekly radio show on Peninsula League prep sports, this Saturday morning will host two of Daly City's finest basketball players — former Jeff High scoring great Don Delbon and Westmoor High's outstanding senior Ross Holmgren.

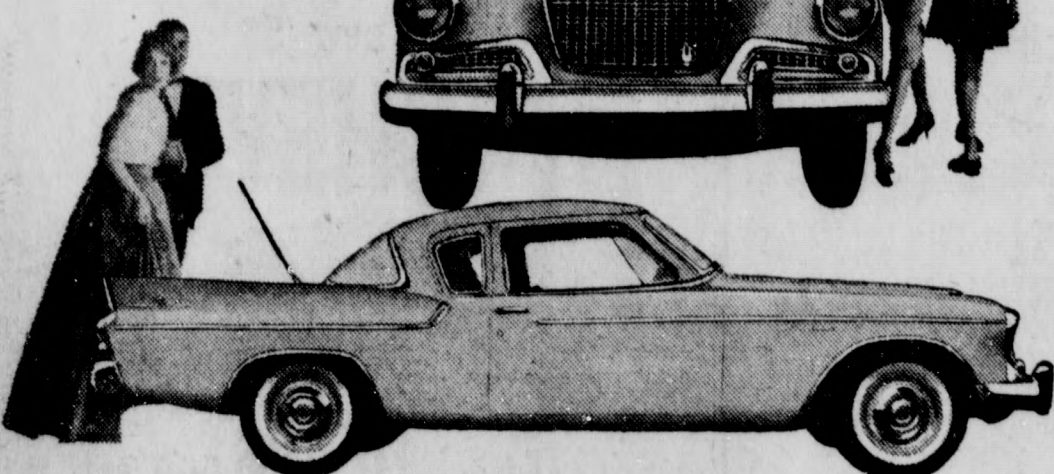

Delbon visits broadcaster Warren Wyncoop on the "Down Memory Lane" portion of the show, which starts at 11 a.m. on KIBB — radio (1220 on the dial).

Holmgren, who stands only 5-6, ranks with the best scorers in the Peninsula League and his coach, Tony Giammona, call him "one of the best players I've ever handled."

Particular attention will be given Friday night's games which mark the end of first round PL action. Highlights of the important Catholic Athletic League contest between Serra and unbeaten Bishop O'Dowd will also be given.

the Silver Hawk by STUDEBAKER

Sporting style—dinner jacket dash

None other like it in the world. Delightful dual personality. Lithe, lean, yet luxurious. Charmingly continental with an American accent. Loves to be driven just for the fun of it. Obligingly practical on shopping trips. Seats five in the lap of comfort and safety. Ready response to the twist of a wrist. Torrents of torque at the tap of a toe. Stops with alacrity, too; large brakes turn the trick. This is the Silver Hawk. It's Studebaker's wonderful way to make motoring a sport. It's Studebaker's daring design for persons who would rather not run with the crowd.

\$2360 with "6". Only \$2495 with V-8. Transportation, local taxes, and optional extras shown on every car.

William J. Sweeney & Sons
4800 Mission St., Daly City

continued to lead the way in this one with 13 key points. He accounted for 12 against Capuchino.

Hillsdale and Cap stepped on the throttle in the varsity race Friday night with convincing wins. The Knights upset unbeaten San Mateo, 39-34, and Cap clobbered Burlingame, 60-38.

Hillsdale also rides high in the lightweight league, entering this week's action with a 5-0 record.

Jeff's 30's on a given day could be as good as any squad in this wide-open field. Warren has a promising group, gunned by Gary Molossi, Mike Wills, and Tony DiVirgilio.

MERCY QUINTS WIN 3 CITY CAGE CROWNS

Our Lady of Mercy staved off a fourth quarter Marchbanks Park rally and won the fifth grade championship Saturday in a low-scoring showdown, 9-7. High pointer for the game was Billy Hernon of Marchbanks with 4 points. Thompson of OLM had 3.

OLPH, led by Clabatter's 6 points, rolled past the War Memorial team, 27-5. Ed Berry played an outstanding defensive game for the War Memorial five.

In the sixth grade league, OLM took their second championship by defeating Colma, 21-11. Ben Franklin upset Crocker to tie for second place with a 3-2 record. Sharing second place is OLPH who beat Marchbanks, 14-12.

Seventh grade league found Bill Barry's 12 points leading OLM to a 29-14 victory over PAL for the championship.

In the eighth grade league, first place is still undecided. P.A.L., O.L.M., O.L.P.H., and Ben Franklin are all tied for first with two weeks left.

O.L.M. knocked P.A.L. from the undefeated ranks by beating them 20-16. Somers of PAL took high-scoring honors with 9 points.

Ben Franklin defeated Lincoln, 16-8, and OLPH, led by Jim Fair's 26 points, walked Crocker, 50-17.

Flying A Sets Team Tryouts For Baseball

Tryouts for Westlake Flying A's midge and junior league baseball teams will begin this Saturday morning, 10 o'clock, at Westlake Park.

Coaches Bernard Rubin and Thomas Dunn seek Westlake boys between the ages of 9 and 13. All boys who will not have reached their 13th birthdays before this June are eligible for the tryouts.

Felding two teams this year, Flying A will have a midge squad for ages 9 to 12 and the junior team of 12 and 13-year-olds. League play will begin in March.

For further information, call Rubin at PL 5-7406.

LIKE his papa, Champion Top Admiral, Max, eight-month-old Basset hound owned by Mr. and Mrs. Michael Orlich of Garden Village, is a budding kingpin. Max has won his first two thoroughbred show appearances, at San Mateo and more recently in San Francisco. He's second cousin to Cleo, TV's famous hound. Sporting Max's rewards is Tony Orlich, 7, student at Garden Village School. THE RECORD photo

BYA Midgets Set Baseball Tryout Session

The Broadmoor Youth Association Midgets, the defending champs of the Daly City and San Francisco midget leagues, will begin tryouts for the 1959 campaign this Saturday morning at Westlake Park.

Coach Randy Hix and his assistant, Bob Johnson, direct the BYA squad sponsored again this year by Art Colvin Realty.

With only three returning players, Hix said many starting positions "will be wide open." The returnees are Skipper Smith, Charlie Morgan and Dan Colangelo.

Eligible for the team are boys between the ages of 10 and 12 who have had at least some experience on the diamond. Any boy who reaches his twelfth birthday before this June 1 is ineligible to try out for the squad.

Hix noted that in past years, tryouts for the BYA team have attracted as many as 60 to 70 boys.

Another tryout session will be held a week from this Saturday, also at Westlake Park, starting at 10 a.m. For more information, call Hix at PL 5-4022.

When California was ceded to the United States in 1848, San Francisco had 820 people, 200 houses, one school, one newspaper and two wharves.

BOWLING ROUNDUP

MORE THAN 400 BOYS AND GIRLS ROLLING IN WESTLAKE LEAGUES

The youth of the area took command at Swanson's Westlake Bowl last week as over 400 boys and girls took to the lanes in organized league bowling.

In the Bantam League No. 1 (ages 8 to 12), the two leaders were Dennis Barbata with a 156 game and 277 series, and Harry Sizeland with a 159 game and 269 series. The leaders in Bantam League No. 2 were Bob Grout with a 118-232 game and series.

Pat Marks of the Odd Ball team in the Intermediate League (ages 12 to 15) bowled a 163-411 to lead her team in all the league girls. She helped her team to a three game victory over the Queen Pin team.

Steve Eumai again led the way with a 145-186-186, a series of 517, which is good bowling for an adult league. Bob Keefe showed progress with games of 98-139-192 to help his team retain the league lead.

Wednesday afternoon found over 200 boys and girls of the Broadmoor Recreation Department League starting competition. The fifth and sixth graders bowl at 3:30, followed by the seventh and eighth graders at 4:30. With such a large number enrolled in league play, all of the lanes at the Bowl are utilized.

Barbara Moriarty of the Gadder Team was the week's high bowler in the Daytime Leagues with a game of 212 and a series of 491. Barbara is a member of the Matinee Bowlerettes who perform

TOO MUCH HOWREN

Westmoor Cagers Lose Thumping See-Saw Battle To Jeff, 38-37

A 40-30 loss to Hillsdale Wednesday last week and Friday night's stunning 38-37 defeat by Jefferson dropped Westmoor High's luckless varsity cagers deep in the Peninsula League second division.

Coach Tony Giammona's Rams entertain tied-for-first Capuchino (4-1) this Wednesday afternoon at 3:15 o'clock. Friday night the Westmoor fives tangle with doormat Mills High at Millbrae.

Loss to Jeff in Friday's thriller marked Westmoor's third setback at the hands of their crosstown rivals in two years of play. Jeff took both tilts last year.

Friday's titanic was anybody's ball game. Westmoor led most of the time. The Rams were in front 11-6 at the quarter and 20-18 at the half.

Ernie Howren's screen shot bucket won the battle after a

see-saw second half. Westmoor was handicapped by the early third period loss of Gary Twitty on fouls. Jim Heck took his place but couldn't quite contain Howren, the Indian high scorer with 19 points. Twitty held Howren to six points in the first half.

Ross Holmgren, the Rams' floor leader at guard, again set the pace for his squad. He bagged 12 points, 8 of these on free throws. The charity line gave Westmoor 19 big points in the tangle.

Bill Dougherty, another Ram sparkplug, did a commendable job in holding Jeff's Roy Reitz, one of the league's best, to 9 points. Roy connected for only two field goals — much below his usual output.

The Rams were somewhat hampered by the physical status of Bill Reese, center Bill Mannion and Holmgren. Each missed practice Thursday due to heavy chest colds.

Westmoor trailed all the way in losing to Hillsdale, led by Gil Cyester with 18 points. Dougherty was tops for the Rams with 11.

Byron Van Alstyne's Ram lightweights also took it on the chin twice last week. They lost to Hillsdale, 39-26, and to Jeff, 40-27.

Both Westmoor teams are 1-4 entering this week's round of play.

For the 30's, Terry Christman got 7 points against Hillsdale and Barry Krohn was high versus Jeff with 7. Ralph Colario was top gun for the Indians with 13.

Summer School Dates, Program At Jeff High

Jefferson High School District trustees have set the dates and tentative program for the 1959 summer school.

The session, supervised by Dr. John Ivan, will run from June 14 to August 7 at Jefferson High campus.

Classes will include remedial, make-up, enrichment and experimental subjects — each determined by demand.

In keeping with last year's program, special courses will be offered to incoming freshmen in the above four areas.

One of the experimental courses will be in the field of driver training. Behind-the-wheel instruction, long a popular feature of the Jeff Adult School, should prove equally as popular with the younger set, Ivan said. This experiment will be continued on a modified basis when the regular fall term begins.
